JANUARY 15, 2017: SECOND SUNDAY IN ORDINARY TIME

Dear Parish Family,

Now that the Christmas season has passed and we have begun a New Year, I would like to offer my thanks to each of you for your generous support of St. Patrick Parish. I would also like to thank all those who helped to make the Christmas season so very special.

As always, the Church was decorated beautifully for Christmas and for this I would like to thank our Art and Environment Committee for all their hard work. I would also like to thank our musicians, liturgical ministers and our Deacons for their dedication in serving the parish. I am also thankful to our small, yet hard-working parish staff and support staff for all that they do throughout the year.

The elevator project will continue into the New Year and is currently scheduled to be completed by mid-March. We are already in the process of planning for our next project, which will involve a reconstruction of the front portico. As we move forward, repairs and improvements will be made to the existing sidewalks.

I would humbly ask you to continue to be as generous as you can so as to help us grow materially and, more importantly, spiritually, as a parish family. St. Patrick's is blessed to have so many people who truly care for the well-being of our parish and our people. I have been blessed to see this first-hand.

May God bless you and your loved ones abundantly throughout this New Year.

In God's Love,

Fr. Dan Redmond

Religious Education: Parish School of Religion

We have an evening of fun and faith-filled activities planned for Tuesday, Jan. 17 for PSR students and their families. Families, please join us at 6:15 pm for the reading of the Gospel. Following the Gospel reading, we will move from station to station and engage in many exciting activities-including a stop at a "Pizza Station" to curb our hungry appetites!

The next meeting of PSR Parent Group will be on Tues., Jan. 31 at 6:30 P.M.

A notice to PSR parents: The Diocesan Training Program for the young people of our parish, "Called to Protect", will be implemented into our PSR program on these dates: Feb. 7, 21 and 28. The training will be for students in Grades 1-6, and will be incorporated into the regular class time on these dates. It will not be necessary for Grade 7 to participate since they have already had this training in the past. If there are any question about this program, please contact the PSR office at 440-298-1845.

Those parents who are new to the PSR program will be notified about an orientation parent session which explains the "Called to Protect" program and how we are implementing it into our PSR program. This meeting will be held on Tues., Jan. 24 from 6:15 to 7:30 P.M.

Pro-Life:

Our Adopted Baby is here. At the moment the nuclei of the father's sperm and the mother's egg unite a new and unrepeatable human being comes into the world, complete with his or her own unique set of DNA. The new little person's sex is also determined from the beginning. This tiny human begins his/her life as a single cell gliding down the fallopian tube. In just a few days they will snuggle into the soft lining of their mother's womb where they will be nurtured for about nine months. After birth she/he will play a unique role within their own family and community -- a role only this unique individual can fulfill. All they needs is time, nourishment and, most of all, love.

Remember Lake County Right to Life's Annual Winter Life Event this Sunday, Jan. 8, at 2 P.M. at St. Mary of the Assumption School Gym, 8540 Mentor Ave., Mentor. After the walk, this year's topic will be on euthanasia presented by Barry Sheets. Refreshments served.

Please pray for the innocent unborn.
