*Dear Parish Family,*

On behalf of our parish staff, I would like to wish you and your loved ones a very blessed Easter. Lent is over. Alleluias resound throughout the Christian world as we celebrate the greatest Solemnity of the Church's liturgical year. Churches are decorated with lilies and colorful flowers that express new life and the blessings that come from God. Most importantly, we reaffirm our faith in the one, true God who is Father, Son and Holy Spirit. We believe in the Resurrection of our Lord Jesus Christ and we believe in the Resurrection of the dead. Christ Jesus has opened the gates of heaven to us by his life, death and resurrection. It is indeed appropriate to praise the Lord and sing "Alleluia!"

Whether you are a long-time member of our parish family or are visiting for the first time, please know that you are always most welcome here. I pray that you and your loved ones will come to more deeply experience the love of God here in this community of faith.

May God bless you abundantly throughout this Easter season.

Wishing you peace and all that is good,

*Fr. Dan Redmond*

There will be a box in the vestibule of the church on the weekend of April 7/8 for our parishioners to return their CRS Rice Bowls. Students can also bring their Rice Bowls to class on April 10th. Thank you for your generous donations.

Please check out the "Wall in the Hall" created by Mrs. Savage's and Mrs. Tamburo's sixth grade PSR class. The theme for the board is "Gratitude Is a Seed to Finding God". The students wrote things for which they are grateful and placed them on the board around a sun. A multitude of God's blessings are displayed. Thank you for a beautiful job, grade six!!

Vacation Bible School will again be held at St. Patrick's this summer! Please mark your calendars for July 10th, 11th, and 12th for an opportunity to participate in "Shipwrecked-Rescued by Jesus"! At Shipwrecked VBS, kids will discover how Jesus rescues us through life's storms. Come and join us and have the best week of your summer with tons of activities that will help faith flow into real life situations!

**Pro Life**

PRO-LIFE: if there is an uncertainty about when life begins, the benefit of the doubt should go to preserving life. It is a scientific fact that life begins at conception. However if one has even a shred of uncertainty about when life begins, then they are still morally obligated to err on the side of life and not have an abortion. Why? Because to make a mistake about the exact time when life begins is to kill an innocent human being. Pray that more mothers and fathers choose life!

**Installation of Fr. Dan Redmond as Pastor of St. Patrick**

Come help us celebrate with Bishop Nelson Perez the installation of Fr. Dan Redmond as Pastor of St. Patrick Church. Mass is at 9:30 a.m. with a reception to follow.

**Weekend Retreat Offering at VMESC**

Join us at Villa Maria Education and Spirituality Center in Villa Maria, PA. for a weekend retreat entitled *The Maternal Womb of Mercy*. The retreat will be held April 13-17 from 7 p.m. Friday to noon Sunday and will be presented by Brother Micky McGrath, award winning artist, author and speaker.
