

"In a World Where You Can Be Anything, Be Kind."

During last Tuesday evening's PSR class, we gathered together in our prayer partner groups. Each student designed a beautiful butterfly showing their own uniqueness through the butterfly. Those butterflies will be soon be placed on our PSR community bulletin board, together making a beautiful masterpiece! We also began work on our "Kindness" banners which will be hung in our classrooms. The banners will enhance this year's theme for the year: "In a World Where You Can Be Anything, Be Kind." At the end of the evening, students took a name from their prayer partner group, and they will pray for this person in the coming weeks. Thank you to Kathy Oravec for organizing and leading our activities.

Amazing New Catholic Film Being Shown for One Night Only!

"Love and Mercy: Faustina" is a brand new, feature-length docudrama that will be shown at the Atlas Cinema in Mentor on Monday, October 28th, at 7pm (as well as other theaters in the region). Come and see why Jesus told Saint Faustina "Mankind will not have peace until it turns with trust to My mercy."

In 1931, Jesus appeared to Faustina Kowalska as the King of Mercy. Clothed in a white robe and emanating two large rays from his side, one white and one red, He asked Faustina to paint this image of Himself along with the phrase, "Jesus, I trust in You" and to spread the message of mercy around the world. He promised that anyone who venerated this image would not perish. The gripping new docudrama LOVE AND MERCY presents unknown facts and recently disclosed documents that shed new light on the vision of Faustina.

Aided by scientific analysis, the film reveals how the Divine Mercy image and the Shroud of Turin were compared to one another to stunning conclusions. Dramatically recreated scenes between Saint Faustina and her confessor Father Michał Sopoćko traces the story of the origins of the image and how the devotion to Divine Mercy was born and spread throughout the world despite a ban of the devotion by the Catholic Church. Shot in the U.S., Poland and Lithuania, the film is a compelling hybrid of dramatization and documentary-style storytelling that will leave viewers in awe of this spectacular account of divine friendship."
